

Supporting Students and Young Professionals in Environmental and Occupational Health, Safety, Science, and Policy-Related Graduate Programs

Supplemental Figure 1

Schools (rectangles), departments (rounded boxes), and institutes or major programs (circles) with environmental health, science, engineering, policy or sustainability programs—the majors, minors, and/or certificates or continuing education courses—at Rutgers, The State University of New Jersey, as of summer 2018. Students at the Rutgers School of Public Health in master’s and certificate programs are eligible to take courses throughout Rutgers (i.e., arrows point between entities in both directions).
